

C6/Republic Services Bulky Waste Collection

Saturday, November 12th

Residents may place up to six items at the curb for collection (future events will have a limit of three items).

Items should be placed within three feet of the curb or paved surface of the roadway.

What to place: White goods, furniture, auto parts and other oversized waste. Mattresses, toilets, water heaters and appliances. Refrigerators, freezers, and portable air conditioners must have CFC's (coolants) removed prior to collection. Items must have a tag from a certified technician verifying that the CRC's have been removed.

What not to place: Construction debris produced by a commercial service provider, items containing freon, fuel, gasoline, motor oil, tires, household hazardous waste, fencing materials, car/boat batteries, concrete, dirt, rock, bricks, cinder blocks, etc. Also, do not place household trash, compressed gas tanks, televisions, computers, and medical waste.

Quick reference:

Household Goods
like chairs, mattresses, lamps
and small couches

**Appliances
(No Freon®)**
like ovens, televisions,
vacuums, washers and dryers

**Appliances
Containing Freon®**
like refrigerators, dishwashers
and air conditioners. Items must
be tagged refrigerant-free

Brush
Plant-based waste generated in
residential settings

**Materials from
Minor Home Repairs
& Renovations**
like sinks and toilets

Large Items
like couches, wardrobes and
large furniture.

**We will not pick up construction or demolition material.
Sheetrock, roofing and 2 x 4's are not accepted.**
